

Company Travel and Expense Policy

Employees must obtain manager approval before booking business travel. Economy class is required for domestic flights and for international flights under six hours. Hotel reimbursement is capped at 180 USD per night unless finance pre-approves an exception. Meal reimbursement is capped at 60 USD per day. Receipts are required for any expense above 25 USD. Expense reports must be submitted within 10 business days after travel completion. Personal expenses, minibar charges, entertainment without business purpose, and family travel are not reimbursable.
